## **Instructions for Federal Financial Assistance Program Analysis in Support of M-25-13**

All Federal agencies that provide Federal financial assistance are required by **February 7, 2025** to complete the attached spreadsheet and submit it to OMB. The information requested must be provided for any program that has funding or activities planned through March 15. Agencies are encouraged to complete this task for all their programs as soon as possible. OMB will be following up with additional deadlines for subsequent periods.

Using the spreadsheet provided, locate or filter the spreadsheet to isolate the agency's list of Federal programs (by Assistance Listing number) and complete the requested information for each program (represented in columns C-G). obligation or disbursement of funds through 3/15/2025.

**Column L:** Provide the estimated date of the next obligation or disbursement of funds.

**Column M-T:** Provide responses to each of the questions (Yes/No).

**Column U:** Provide any additional relevant information on program or project activities.
