Founded in 1977, the National Association of Counsel for Children led the evolution of children's law from a cause to a profession by establishing child welfare as a specialty practice requiring distinctive training, skills, and support. NACC helps public service attorneys provide quality legal representation to children, parents, and agencies in child protection court proceedings, and advances the rights of children, youth, parents, kin, and tribes in policy advocacy initiatives. NACC's National Child Welfare Law Conferences offer conference attendees the opportunity to learn from top experts in the field, collaborate on systemic reform efforts, network with colleagues, and satisfy continuing education requirements.

NACC anticipates 700 attendees will join us in Portland at the Hilton Portland Downtown, and The Duniway Portland, a Hilton Hotel in 2026.

CONFERENCE PARTICIPANTS, ATTENDEES AND FACULTY, INCLUDE:

- **Attorneys** who represent children, parents, kin, tribes, and social service agencies
